# OVEGA

Feel the Rush, Feel the Precision.

Core selling points

- 1.**Speed Meets Style:** Elevate your ride with high-speed electric performance. Our scooter combines speed and style for an unforgettable journey.
- 2.**Advanced ABS:** Our scooter's advanced ABS technology keeps you in control during sudden stops.
- 3.**Empowered by CATL Battery:** Experience un-matched endurance with the 120AH CATL fixed Battery.
- 4.**GATES Belt performance:** Feel the precision in every motion powered by the precision of GATES belt.
- 5.**High performance Middle Motor:** Elevate your ride with our high-performance middle motor, designed to deliver an exceptional blend of power and efficiency.
- 6.**Optimized Lens Headlights:** Illuminate your path with clarity through the optimized lens headlights.
- 7.**Vibrant Color Screen:** Engage with the road through the vivid 7-inch color screen smart speedometer or with an optional touch screen speedometer.
- 8.**Bold and beautiful:** Make a statement that's both bold and beautiful with our scooter's wide design, giving you the space you need for a relaxing ride.
- 9.**Rapid Recharge Capability:** Our scooter is designed to support AC and DC charger for fast and efficient charging. Providing you with the convenience to keep your adventure going .

Technical parameters

Model	Model No.	OKLA-ES01
	Model Name	OVEGA
Basic Info.	Dimension	2090*795*1100MM
	Wheel Base	1475MM
	Ground clearance	140MM
	Seat height	880MM
	Weight without battery	119KG
	MAX Load	180KG
	Tire Size: F/R	F:130/60-13 R:140/70-13
	Wheel material	Aluminium/Iron
	Brake: F/R	F/R: Disc Brake (ABS)
	Light	LED
	Front Suspension	Aluminium hydraulic suspension
	Rear Suspension	Hydraulic adjustable suspension
Motor	Type	Central Motor
	Power(Rated)	7000W
	Power(Peak)	16000W
	On-wheel Torque(Rated)	80NM
	On-wheel Torque(Peak)	360NM
	Speed	120 KM/H
Performance	Gradeability(%)	48%
	Range (45km/h)	215 KM
Charger	Output Voltage/Current	72V25A
	Charging Time	4.5H
Speedometer	Display Type/Size	TFT Color
	Display Connectivity	CAN
	lot Enable	Yes
Battery	Battery Capacity	72V110AH
	Cell type	NCM
	Battery IP	IP67
	Battery Qty	2
PACKING SIZE CBU		2060*620*1230 MM
LOADING QTY/CBU: 40HQ		36
